

Messaging To Email Service.

For Just **\$6.40** a month Delacon can set your company up with a Sydney landline telephone number. [All other cities starting at \$15/month]

Messages are:

- a) Emailed directly to your email address.
- b) Incoming Caller ID's are stored in a pre defined database which you can view anytime. Therefore even if a caller hangs up before leaving a message, you will always know who called.
- c) You can also access your messages using a predefined mobile telephone number any time.

ANSWERING TYPE.

- (A) (Please send us a wav file of your greeting)
 - (B) (insert_here_your_message and we will record it professionally for you):
